But then Lanie discovers she isn't the only one grieving his sudden passing. A serial adulterer, he left behind several other women who, like Lanie, each believe she was his legally wedded wife. Rocked by the infidelity, Lanie is left to grapple with searing questions. How could she be so wrong about a man she thought she knew better than anyone? Will she ever be able to trust another person? Can she even trust herself? Desperate to make a fresh start, Lanie impulsively takes a job at the family-run Capriotti Winery. At first, she feels like an outsider among the boisterous Capriottis. With no real family of her own, she's bewildered by how quickly they all take her under their wing and make her feel like she belongs. Especially Mark Capriotti, a gruffly handsome Air Force veteran turned deputy sheriff who manages to wind his way into Lanie's cold, broken heart along with the rest of the clan. The fresh-faced twenty-one-year old seems as sweet as they come until her dark secrets come to light secrets that could destroy the new life Lanie's only just begun to build. ...more Rainy Day Friends (Wildstone, #2) PDF ebook
